RE: RFQ #2020-01 - West Dallas Collector Sewer Extension Project

Dear RFQ Recipients,

The City of Dallas is pleased to announce that after rigorous review and grading of the SOQ submittals. **Edison Engineering Group and G. Ben Turnipseed Engineers** have been chosen as the short-list firms to participate in the West Dallas Collector Sewer Extension Project RFP. Please reference the City of Dallas webpage (<https://dallasga.gov/proposals-bid-opportunities/>) to download all RFP documents and attachments. The RFP documents and attachments will also be sent via: USPS and email to main point of contact, per RFQ acknowledgment submission.

The City of Dallas wants to thank each RFQ Recipient for their SOQ submittal. We appreciate the time, effort and consideration of preparing the RFQ. The City furthermore hopes to see all recipients submit on future projects.

Sincerely,

*Brandon Rakestraw*
